

**Purchase of Irrigation Acres
Application Package
Fall 2022
(1,000 Acres to Allocate)**

The Raymond Irrigation District (“RID”) is excited for growth of irrigation within the district. Parties interested in purchasing irrigation acres from the district are asked to fill out the attached application package and submit it to the RID office.

CRITERIA FOR DISTRIBUTING ACRES

Irrigation acres are limited so the Acres Allocation Committee will use the following criteria to prioritize applications:

- 1) Feasibility of the application (capacity of RID system in proximity of the location and the cost of water delivery to the location);
- 2) The land in the application must be classified for irrigation;
- 3) Priority will be given to infilling/intensification of acres;
- 4) Priority will be given to parcels that are adjacent to RID works;
- 5) Any new works required to tie into RID infrastructure must be approved by the board and funded by the applicant;
- 6) Final approval of new acre applications will not be given until all necessary conditions have been met, which may include, remote parcel agreements, delivery point, reservoir pumping agreement, easements, title notation including the parcel in the district;
- 7) The sale of new irrigation acres is subject to a capital asset charge, which is currently \$2,000 per acre + GST, but subject to change, based on fair market value adjustments. The capital asset charge is payable to the RID over 5 years with no interest charged; and,
- 8) Applicants may submit multiple applications annually, however, only a maximum of one ¼ section will be approved per applicant annually.

OBLIGATION TO USE NEW IRRIGATION ACRES

If the successful application has not started to use the new irrigation acres within 2 seasons of receiving the acres, the irrigation acres will revert back to the RID for redistribution.

FALL 2022 APPLICATION PROCESS TIMELINE

Applications must be submitted to the RID office by October 14, 2022. They can be dropped off, faxed or emailed.

Location: SW18-6-20-W4, #62017 Range Road 21-0
Fax: (403) 752-3737
Email: jason@raymondirrigationdistrict.ca

The Acres Allocation Committee will advise applicants of the results by November 30, 2022.
